Sir:

I, Richard E. Fichter, represent that I am the attorney of record for the above-identified application.

ADVANCED SEMICONDUCTOR ENGINEERING, INC. (hereinafter referred to as "Assignee") is the owner of the entire right and title to the above-captioned patent application and the invention and improvements therein disclosed for the United States, by virtue of an assignment from the inventors to ADVANCED SEMICONDUCTOR ENGINEERING, INC. dated September 24, 2003 and September 25, 2003, recorded on Reel 014644, Frame 0736 on October 28, 2003. Assignee is also owner of the entire right and title to co-pending U.S. Patent Application No. 10/693,888, filed on October 28, 2003, by virtue of the assignment from the inventors to ADVANCED SEMICONDUCTOR ENGINEERING, INC. dated September 24, 2003 and September 25, 2003, recorded on Reel 014643, Frame 0139 on October 28, 2003.

The terminal part of any patent granted on the above-captioned application which would extend beyond the expiration date of the full statutory term of any U.S. Patent issuing on 10/693,888 is hereby disclaimed. Any patent granted on the above-captioned application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to the co-pending U.S. Patent Application No. 10/693,888 and any patent issuing thereon, this agreement to run with

Appln. No. 10/693,896

Terminal Disclaimer dated: April 26, 2005

any patent on the above-captioned application to be binding upon the grantee, its successors or assigns.

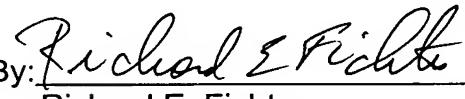

No terminal part is disclaimed of any patent granted on the above-captioned application prior to the expiration date of the full statutory term of any patent issuing on co-pending U.S. Patent Application No. 10/693,888 in the event that it is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title stated above.

The Terminal Disclaimer fee of \$130.00 is submitted herewith. Please charge any additional fees or credit any overpayments in connection with this paper to Deposit Account No. 02-0200. A duplicate copy of this paper is enclosed.

I, Richard E. Fichter, hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-captioned patent.

Respectfully submitted,

BACON & THOMAS, PLLC
